

**NORTH PETHERTON COMMUNITY CENTRE**

## **ANNUAL GENERAL MEETING**

**Friday 22<sup>nd</sup> March 2019 at 7.30pm**

**In the Main Hall**

**All members of the public are invited to attend.**

The Community Centre is a facility managed by a Committee of Trustees, on land leased from Sedgemoor District Council, hired as a venue for events and activities by local groups and organisations, principally from the parish.

At the AGM the Committee present a report on the activities at the Centre over the past year, including plans for the future.

All Committee Members, who are volunteers without benefit, both elected and representative, have to retire each year and 6 members have to be elected in the usual manner by those present.

These members, together with the previously nominated representative members from regular user groups, form the new Management Committee, who, at their first meeting, if eligible, become Trustees and appoint the appropriate officers.

**Please consider if you can give some of your time and particular skills for the benefit of the Community by standing for election. This is particularly important this year as several retiring members are not standing for re-election.**
